B6 (Week 6) - Worksheet | The Fair Decision Machine - Refine, Present & Reflect (Part 2)

Name: _____ **Class:** _____ **Date:** _____

Task 1: Refinement log

Test your machine. Write the weak decision, whether the cause was a rule or the data, your change, and the result after re-running.

The weak decision was ...

The cause was a rule / the data (circle one).

I changed ...

After re-running, the result was ...

Task 2: Fairness improvement

Make your machine fairer. Write who was left out or treated unfairly, your change, and your reason.

Who was left out or treated unfairly: ...

My fairness change: ...

This is fairer because ...

My change does not leave anyone else out because ...

Design & Reflection Log - Part 2 (refine, fairness, reflect)

Record your refinement and fairness improvement, then reflect across the four skills you used.

Skill used	What I did well	What I improved / would improve

Exit ticket

Explain one change that made your machine work better and one change that made it fairer, with a reason for each.

Challenge (stretch)

Here is a fairer rule that helps one group but leaves another out. Explain who it leaves out and design a better rule that is fair to everyone.
